Overview

Ship Highlights

- One of the highlights of MSC Virtuosa's onboard entertainment will be the two brand new Cirque du Soleil at Sea shows, created exclusively for MSC Cruises' guests
- With about 10 sq. m. of public space per guest, poolside space on MSC Virtuosa is some of the most plentiful to be found at sea
- The large and spacious amusement park provides a large arena where the guests can play sports and games
- 5 outdoor bars with breathtaking view and 16 indoor bars, each offering a unique experience

MSC Virtuosa's namesake comes from the word virtuoso, meaning someone highly skilled in any field of activity, and so MSC Virtuosa was named to pay homage to the skill and expertise of the MSC Cruises architects and shipyard partners at Les Chantiers de l'Atlantique who designed and built this innovative class of ships. This new cruise ship is one of the two largest in MSC Cruises' fleet, along with her sister ship MSC Grandiosa, boasting an impressive array of guest features all coming together in perfect harmony to deliver the ultimate cruise vacation experience.
